

Destroying Chastity

Islam is a religion which has given it's followers a complete way of living life. A way which is natural to such extent that it's every commandment is in accordance to what a decent mind wants. Islam has ensured it's followers' chastity and decency. This is no doubt what a decent mind demands. Societies cannot be built unless there is a code of conduct and that code of conduct should be able to give it's every member an honorable life with respect. And not only this respect should be societal but also in the form of confidence amongst each other. In both aspects of life, unmarried and married the key factor which provides honor and respect to a person is his/her chastity. Guarding one's private parts from adultery and fornication. If this is not done the relationship loses it's main binding force i.e trust. A person who does not guard his chastity not only loses his confidence in the eyes of his partner but it also afflicts his self-esteem and self worth.

Today it is saddening to say that humanity has fallen to such an extent that the very concept of a society which is decent and full of chastity is at risk. It has also become a forgotten chapter of history in some places of world. Adultery, fornication, rapes, payed sexual services, pornography are becoming so common that decency has become a thing of past. The 'root cause' of increasing indecency is not only the gradual shift of society in the form of crime, but also the intellectual shift of society in justifying these acts and making them plausible in the eyes of the world. The main role played in this evil act is by electronic media. In the name of cinema and movie business people have literally deployed their sentinels to destroy the chastity of serene minds.

The astounding fact is the profit these devils are making by looting people of their decency.

it is on medium.com

“According to various reports, currently, the porn industry’s net worth is about \$97 billion. This money is enough to feed at least 4.8 billion people a day.”

In this way the devils are making profit out of the death of billions of decent minds and this blood money doesn’t seem to stop.

O decent minds ! O Muslims ! pay heed, this is not what your lord commanded you. This is not what was the pious and blessed way of the kind and decent Prophet Muhammad (ﷺ). This is the way of the devil. Satan the evil has invented this new weapon to throw you far astray from the true straight path. Read and analyze the commandment of your Lord and see for yourself what is the reality :

يَا أَيُّهَا النَّاسُ كُلُوا مِمَّا فِي الْأَرْضِ حَلَالًا طَيِّبًا وَلَا تَتَّبِعُوا خُطُوَاتِ الشَّيْطَانِ إِنَّهُ لَكُمْ عَدُوٌّ مُبِينٌ ۝

“O, Mankind! Eat of whatever is in earth lawful clean and follow not the steps of the Devil, no doubt, he is your open enemy(Al-Baqarah 168)”

And what does the Satan command people ?

إِنَّمَا يَأْمُرُكُمْ بِالسُّوءِ وَالْفَحْشَاءِ وَأَنْ تَقُولُوا عَلَى اللَّهِ مَا لَا تَعْلَمُونَ ۝

“He will only command you to evil and indecency and that you should say of Allah what you do not know(Al-Baqarah 169)”

O Dear one ! this is indeed obscenity and indecency to watch such things. It is the command of the Satan. But you must not fall pray to what he wishes to trap you with. You must stay firm on the blessed path as described by the Holy Qur’an and the life of the

Prophet Muhammad (ﷺ).

Just look at the command of your Prophet and what he has ordered you !

لعن الله الناظر والمنظور اليه (مشكاة كتاب الكاح)

“Allah curses the one seeing (what is impermissible) and the one being seen at.”

Indeed this indecency has been invented so that your mind may become numb and insensitive to what all is happening around you. So that you may be stopped from reaching great stations. So that you are least bothered by the ruthless killings of your fellow Muslims. This is their propaganda ! and see for yourself Muslims how you have been trapped in it. Muslim youth have become unskilled and illiterate and the literate ones have become insensitive, the rich are arrogant and the pious frightened to speak a word. Houses have become centers of indecency, illegal sexual relations are being made. Rapes and exploitations are common. Is this the society which you want to provide your children with ? Is this what was commanded for you ? Are you even a reflection of what your pious predecessors were ?

If not ? then O dear reader ! it is high time that you took heed. The time has come when you left all your indecent works and turned towards your lord Allah the almighty. You are alive, there is still time to repent, should you repent with sincerity and Allah will forgive your sins or should you choose to continue sinning and the wrath of the almighty falls upon you and then there would be nothing left of you. May Allah the almighty give us strength to reform ourselves. O Allah accept this supplication through the mediation of the Beloved Prophet (ﷺ). Ameen
